

Choose your finishes

Step 1	Measure your room and make a rough sketch showing services and doors
Step 2	Visit our store and select the correct carcasses to fit into your project
Step 3	Choose your colour of doors and worktops from our high quality range, not forgetting accessories
Step 4	Save time and effort by letting us pre-cut, edge and drill your doors and worktops, ready for installation
Step 5	Allow us to deliver your units, packed, well-protected and at competitive rates
Step 6	You can do the installation yourself or let us recommend a professional

Prices are based on standard white board. Prices may vary from store to store and may fluctuate due to variations in material costs, labour costs and special materials requested by customers. Assembly solutions/hardware may vary from store to store. Lead times may apply and will vary from store to store. No refund will be given on installed units. Units (except specialist) are pre-assembled but exclude doors, door hinges and installation. Doors are only included on specialist units where indicated. Timbercity will not be held responsible if customers provide incorrect sizes/measurements. Enquire in-store.
